The southern Texas skies over Wharton Airport will soon be filled with colorful, beautiful "sky-sails" as the Powered Parachute CHAMPIONSHIPS event comes to Wharton, TX. Vibrant, multi-colored parachutes will be arriving from all of parts of the World.

This spectacular event will entice celebrities and distinguished speakers in the industry to participate in this annual experience. Similar to the balloons at Albuquerque, the sky will be filled with "eye-candy" for the public, as the fun

competitions and flying events are held throughout the multi-day affair.

We are proud to bring you the 8th annual www.powerchutes.com distinguished PPC World Championship! October 14th - 17th, the skies in southern Texas will be filled with the magic and color of Powered Parachutes. This year we are expecting to attract pilots from all over the World.

However, as with any event of this magnitude, we need the help of Vendors & Sponsors to make this event successful. So, we offer you multiple ways to promote your company and your items: 1) Vendor Booth space. These 20x20 Vendor areas are available for \$375 (**\$295 for early registration**) for the entire multi-day event. 2) **SPONSOR Door Prizes** - in exchange for your donated gifts we offer you "name recognition" and **banner advertising**. 3) Speaker seminars. You are encouraged to come and speak at our hourly seminars. 4) Cash donations. As you might imagine the cost of insurance & advertising our event is beyond the enthusiasm of the PPC pilots that have organized &

promoted this annual event. *[Please note that this event does NOT promote any one Pilot Organization or Aircraft Manufacturer. This is just a group of aviation enthusiasts who wish to share camaraderie, safety & the beauty of the skies above southern Texas]*

We sincerely ask as for your support & also hope to see you here for this great annual event. Currently this unique, and World recognized Powered Parachute

CHAMPIONSHIP is scheduled to be one of the largest PPC experiences!

PPC CHAMPIONSHIPS & CHUTE FESTIVAL

Event Facts:

- The Chute FESTIVAL now enters its 8th year
- First year for the event to be held in Texas
- Attendees are middle to upper income families
- Over 100-pilots are expected to participate this year

SPONSORSHIP PACKAGES

We are still expanding and improving the event as one of the premier family fun events in Wharton County. And as we are honored to again host the World Powered Parachute CHAMPIONSHIPS - we expect this year in Texas to exceed attendance of previous years - and last year we were the 2nd largest powered parachute event in the WORLD!

Take advantage of this family oriented event/aviation COMPETITIONS & FESTIVAL and tap into a highly desirable audience at the event and become a part of our publicity campaign through our media outlets.

So please partner with us as a corporate sponsor to support this UNIQUE event and receive access to the competitions, seminars, participants and attendees.
